Applicant Dropbox, Inc. (“Dropbox”) hereby moves, pursuant to TBMP § 510, to suspend this proceeding pending resolution of Dropbox’s motion to consolidate Opposition No. 91200450 and Opposition No. 91201367.

Dropbox requested this relief in connection with its February 7, 2012 renewed motion to consolidate, but the Board has yet to rule on that motion. Given the approaching pre-trial and trial deadlines in this proceeding, and in the interest of caution, Dropbox is now filing the same stay request as a separate motion.

Proceedings may be suspended for good cause upon motion or upon stipulation of the parties approved by the Board. TBMP § 510.03. Dropbox respectfully suggests that good cause exists where, as here, the parties have stipulated to the request and the Board is considering a motion that may implicate an added party and rescheduling of the pre-trial and trial deadlines. The parties should have the benefit of knowing whether or not consolidation is to occur before proceeding further with their respective claims and defenses.

Dropbox’s counsel has sought consent to this request from counsel to Opposer Box.net, but to date has not received a response. Counsel to the opposer in the other opposition proceeding, Opposition No. 91201367, has consented to the request.

For the foregoing reasons, Dropbox respectfully requests that the Board suspend these proceedings pending resolution of the motion to consolidate.
